

The Reality of Problems in the Life of a Believer – Part 1

The reality of problems

1. Many believers have the mistaken idea that the Christian life is to be a problem-free life.
2. Of course, this is not reality. Trouble and problems are woven into the very fabric of _____ on planet earth.
 - *“Man that is born of a woman is of few days, and full of trouble.” Job 14:1*
3. Biblical characters knew about the reality of problems:
 - Moses experienced problems with _____ he was leading. Numbers 16
 - Job experienced problems with _____. Job 1:6-12
 - David experienced problems with _____. 2 Samuel 11
 - The apostles experienced problems with _____-believers. Acts 5:17-18, 40
 - Paul experienced problems with other _____. Acts 15:36-40
4. Problems are simply a reality of life for the child of God. Problems are something that every believer must face and deal with.
5. We will never overcome our problems until we realize where our problems come from. This brings us to our next point.
