

# The Best Place To Start Picking Up The Towel

LUKE 22:25-27 • CHURCH BIBLE PAGE #1091

- We can't be like Jesus if we aren't serving. But where do we start?
- The best place to start picking up the towel and learning to live a life of service is right at \_\_\_\_\_.
- How can we serve at home?

**Husbands – serve your family by providing \_\_\_\_\_-leadership.**

- Jesus taught an entirely different concept of leadership.
- Jesus taught and lived the concept of servant-leadership. In Christ's economy, to be the "head" is to be this unique blend of leader and \_\_\_\_\_.

**Wives – serve your family by providing unconditional \_\_\_\_\_.**

- *"That they may teach the young women to be sober, to love their husbands, to love their children."* **Titus 2:4**

**Children – serve your family by \_\_\_\_\_  
with a respectful attitude.**

- *“Children, obey your parents in the Lord: for this is right. Honour thy father and mother; (which is the first commandment with promise;) that it may be well with thee, and thou mayest live long on the earth.”*

### **Ephesians 6:1-3**

- Teach your kids that life is not all about them. How? By teaching them to serve \_\_\_\_\_. This starts at home.

Selfishness destroys families.  
Servanthood \_\_\_\_\_ families.

### **Friend Day is Sunday, March 26!**
