

# REACHING OUT

ACTS 15 • CHURCH BIBLE PAGE #1148 • PART 2

- Last week, we learned that an event took place and a decision was made that literally changed the entire course of church history.
- If it wasn't for that decision, church would have an entirely different meaning to us today.
- We learned two principles from this story that provided some practical application for us.
  - God cares passionately about reaching the unreached.
  - We should never make it difficult for souls to be reached.
- Today, we are going to learn two more principles from this passage. If you want to reach the unreached:

**You must let go of your own \_\_\_\_\_-interests.**

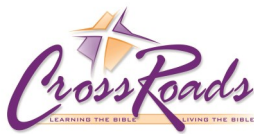

- Letting go of self-interest is what the \_\_\_\_\_-life is all about.

- Each of us must remember that there are people at CrossRoads every Sunday who...
  - Have a different \_\_\_\_\_ background than you.
  - Have a different \_\_\_\_\_ background than you.
  - Have different \_\_\_\_\_ and preferences than you.
- If we are going to reach these people, \_\_\_\_\_ must be laid aside.

**You must fight for the \_\_\_\_\_ interests of the \_\_\_\_\_.**

- How can you fight for the best interests of our guests? Try to put yourself in their \_\_\_\_\_.

The goal is for CrossRoads to be a church that \_\_\_\_\_ people love to attend.
