Third, speak words of _____ tempered with _____.

- It is so easy to utter _____ words, especially with family members. **Proverbs 29:20, Ephesians 4:15**

Fourth, remember the goal – _____.

- If you get two people that truly want reconciliation and they come together with humility and _____, conflict can always be resolved.

TAKE HOME DISCUSSION

Is there currently conflict within your family? If so, has this conflict been discussed or ignored? How have your actions contributed?

If the conflict has been ignored, ask yourself if there is a need for confrontation. "Are their actions damaging our relationship? Are their actions hurting others? Are their actions hurting or jeopardizing them?"

If confrontation is needed, set a time to do so and ask God to give you the humility you need when you talk to your family member.
