Leading Like Jesus

MARK 10:42-45 | BIBLE PAGE #514

- Leadership is _____, and influence is the ability to _____ another person in a direction you believe is important.
- If we are going to be leaders in Christ's kingdom, we must lead like Jesus. What does that look like?

What Jesus' leadership style does NOT look like (vs. 42):

1. _____ over people
2. _____ people
3. Selfishly _____ people

What Jesus' leadership style DOES look like:

1. You lead others with a _____ heart. Vs. 43
2. Your servant's heart leads you to serve _____. Vs. 44
3. You serve by _____. Vs. 45

Christ-like leadership is when we are willing to give up rights and privileges (that we could demand) for the good and benefit of _____. That is true leadership!

TAKE HOME DISCUSSION

Leadership is influence. Who are some people that you are able to influence? How would you describe your influence?

How has your previous concept of leadership differed from what Christ taught His followers?

Who have been some of the greatest leaders in your life (that positively influenced you)? What made them a great leader?
