Reconciliation is the ultimate goal.

1. To be reconciled means to _____ hostility and separation with peace and friendship. This is what God has done for us in our relationship with Him. **2 Corinthians 5:18-20**
2. Unless a deliberate _____ is made to restore and strengthen a relationship, it will generally deteriorate.

TAKE HOME DISCUSSION

Is there someone in your life that you've neglected to forgive? Do they recognize how they've hurt you? Do you recognize how you might have contributed to the problem?

Take a moment to reflect on God's forgiveness. Write down a time you were forgiven by God and thank Him for it. If God can forgive us, we should be able to forgive others.

Pray and ask God for reconciliation and peace in your relationships.
