

# Welcome!

**THANK YOU FOR JOINING US THIS MORNING!**

Here at CrossRoads, we exist to accomplish our mission of loving God and loving others by learning the Bible and living the Bible. It is our hope that through our services and ministries you are given the tools to build a better relationship with Christ and others.

## Enjoying the Fruit of Freedom

• Galatians 5:22-23 • Pew Bible Page #589 •

### Walking after the flesh versus walking after the Spirit

- Walking after the flesh simply means that you walk in self-reliance in your **own** power and strength, doing what **you** want to do with little or no thought to what \_\_\_\_\_ desires in your life.
- Walking after the Spirit means that you walk with a total reliance upon Jesus Christ, believing that without Him you can accomplish \_\_\_\_\_ of eternal consequence.

### You reap what you sow! Galatians 6:7-8, cf. Romans 8:1-13

- You can expect a certain kind of fruit based on the seeds you plant.
- Sowing to the \_\_\_\_\_ brings the crop of corruption.
- Sowing to the \_\_\_\_\_ yields a harvest of life.

### The Sweet Fruit of Freedom

- The works of the flesh create \_\_\_\_\_ in our lives. The fruit of the Spirit allows us to walk in \_\_\_\_\_. Galatians 5:1

# TAKE HOME DISCUSSION

**Christ has set us free, and we have the ability to choose whether we will follow Him or follow after our fleshly desires. Reflect on the choices you've made over the past week. Were they primarily self-centered or Christ-centered?**

---

---

**Your choices will result in a spiritual crop. Read Galatians 5:19-23. Write down what things result when we sow to the flesh and what things result when we sow to the Spirit.**

---

---

**How can the Holy Spirit work in you to produce better fruit?**

---
