TAKE HOME DISCUSSION

Take some time to discuss these questions with your family or your friends. Reflect on what you heard and how God spoke to you from His Word.

Problems and people are the two things that try our patience.

When problems occur, do you find it difficult to remain patient?

How can you stay patient during difficult circumstances?

Think about the last time you lost your patience with someone.

How do you think that person felt when you lost your temper? How can you make it right and prevent it from happening in the future?
