TAKE HOME DISCUSSION

Take some time to discuss these questions with your family or your friends. Reflect on what you heard and how God spoke to you from His Word.

How does knowing Jesus will return help you remain patient when you're experiencing problems? How does believing in God's purpose help you remain patient?

1 Corinthians 13:4-5 says, "Love suffers long and... is not easily provoked." When we're patient with others, it shows that we love them. Think about Jesus' sacrifice on the cross. He endured the cross without lashing out in anger. How does that apply to you?
