TAKE HOME DISCUSSION

Continue to think and reflect on the message. Try to restate the three examples of what kindness looks like without looking at the front of the handout. Keeping those in mind, discuss the questions below.

How do I react when someone interrupts what I'm doing?

Am I kind to everyone or just the people who are easy to like? Why is it difficult to show kindness to someone who's rude to me?

Whose need(s) can I meet this week?
