TAKE HOME DISCUSSION

This Father's Day we talked about finding a spiritual father, someone in your life who can help you grow into a follower of Jesus. You might've already found that person or you might still be looking. Either way, look at these questions and then pray to ask God for a spiritual father in your life.

How can a spiritual father help you grow as a follower of Jesus? In what areas do you need to grow?

The first thing that a spiritual father provides is a godly example. Is your spiritual father setting a good example for you? Why or why not? If you don't have one yet, write down what kind of an example you would want your spiritual dad to set.
