

Welcome!

THANK YOU FOR JOINING US THIS MORNING!

Here at CrossRoads, we exist to accomplish our mission of loving God and loving others by learning the Bible and living the Bible. It is our hope that through our services and ministries you are given the tools to build a better relationship with Christ and others.

Nothing Beats A Family

HELP! I'M A PARENT! | PROVERBS

- Children should bring _____ and gladness to parents. This is God's design. **Proverbs 23:24-25**
- With God's help and God's grace, we can all provide for our kids what we read in God's Word. The Bible says that kids need:

_____ **Proverbs 22:6**

_____ **Proverbs 22:15**

- Being in a family means that unacceptable behavior is _____ with, not overlooked or excused.

_____ **(Time) Proverbs 31:1**

- _____ should be the primary source of influence and instruction in a child's life.

There are no perfect parents. We do the best we can and then we _____ it with God.

TAKE HOME DISCUSSION

Parents, take some time to discuss these questions together. Talk about how you can provide the training, correction, and influence your kids need.

How will you train your kids to follow the right path?

How much time are you spending with your kids? Is there something in your life that needs to go so you can spend more time with them?

Close out your discussion with prayer. Pray for each individual member of your family by name. God wants to work in your home; so seek Him and ask Him to do something great, something only He can do.
