

- If every believer on this planet won everyone in their sphere of influence, would there still be huge gaps? There would, in fact, still be millions who have never heard about Jesus.
- There are still gaps all over this world that need a bridge.
 - _____ billion people have never been confronted with the good news of Jesus Christ.
 - Organized Christianity has no contact with _____ million people in the world today.
- This is where we must understand the concept of _____.
- While you can't possibly reach the 1.8 billion people that have never heard of Jesus, you can help **other** people build bridges to reach those people.
- How can we accomplish this?

First, by understanding the _____ of Jesus Christ.

- Our Savior has a heart of _____.
Matthew 9:36-38

- Our Savior has a heart of _____. Luke 19:1-10
- Our Savior has a heart for _____ people. Acts 26:16-18
- *“Who will have all men to be saved, and to come unto the knowledge of the truth. Who gave himself a ransom for all, to be testified in due time.” 1 Timothy 2:4, 6*
- *“The Lord is...not willing that any should perish, but that all should come to repentance.” 2 Peter 3:9*
- Jesus is the supreme bridge builder, and He is looking for people who will help build spiritual bridges in this world.

Second, by leaving your _____ zone.

- God sent _____ to the house of a Gentile named Cornelius. He needed a Savior. Acts 10:2
- God had to prod Peter out of his _____ zone and eventually Peter did go, and Cornelius and his entire household believed Peter’s message about Jesus.
- These people were saved because _____ man left his comfort zone and went and built a bridge to these people.

Third, by laying aside all _____.

- Philip laid aside all prejudice and became a bridge to the _____ people. Acts 8:4-5
- We serve a God who is not prejudiced in any way. He equally _____ every person in the world and desires for every one to live with Him eternally.
