### Introduction

- A problem is something that needs to be solved.
- Life is filled with problems - both easy ones and difficult ones.
- We might wish that we could live in a problem-free world where nothing ever goes wrong, but what did the Lord Jesus Christ tell His disciples to expect in the real world? John 16:33
- Times have not changed much in this regard over the last 2,000 years, so every believer must handle problems the right way - The Bible Way.

### How?

#### By recognizing that problems \_\_\_\_\_.

1. The believer that is living in today's age can expect problems and troubles and difficulties to be part of his life. 2 Corinthians 4:8
2. Paul said, "We are \_\_\_\_\_ on every side."
3. Paul continues in verse 8, saying, "...we are \_\_\_\_\_."

#### By realizing that \_\_\_\_\_ is needed.

1. In the Psalms, the psalmist cried out and said, "I am \_\_\_\_\_ and \_\_\_\_\_!"
2. We have many real problems and we do not have the solution to these problems. We need help!
3. \_\_\_\_\_ should you go for help?

  - According to this verse, who is the One who is able to be your HELPER?
4. Sometimes we fail to realize how much God understands us and the problems that we are going through. God is very familiar with us, our lives, and our worlds. He is ready, willing, and able to help.

**By personalizing the fact that \_\_\_\_\_ has solved the greatest problem of all.**

1. Man's greatest problem is \_\_\_\_\_.
2. God has solved the greatest problem of all! God sent His beloved Son to be our \_\_\_\_\_ and to die in our place. 2 Corinthians 5:21

### **Conclusion**

2. God must be your Savior \_\_\_\_\_ He can be your problem-solver!
