

Saul zealously tried to follow the laws God gave to Moses. But he didn't know God's Son, Jesus, as his Savior. Then, one day, on the road to the city of Damascus, Saul's heart and mind were changed toward Jesus. He was changed forever and became Paul, a man with a new passion and a new mission for helping people to know Jesus as their Lord and Savior and only way to heaven. He shared with them "the heart of the gospel."
